INFORMATION DATA SHEET

Freezing point/range :

± 0°C

10. STABILITY AND REACTIVITY

Stability :

Product is stable under normal conditions.

11. TOXICOLOGICAL INFORMATION

This product fulfils all demands of EC Cosmetic Directive 1223/2009/EEC.

12. ECOLOGICAL INFORMATION

No ecotoxicological research has been carried out on this product.

Ecotoxicity :	No ecotoxicological information available.
Persistence – degradability:	Data on the biodegradation of this product are not available.
	Biodegradability of used detergents are in accordance with Regulation 648/2004 (EC) on detergents.

13. INSTRUCTIONS FOR DISPOSAL		
Disposal of packaging:	Rinsed packages can be disposed of as normal industrial waste.	
Comment:	Attention is drawn to the possible existence of mandatory and regulatory communal, national or local requirements governing disposal of waste.	

14. TRANSPORT INFORMATION	
UN Nr. :	None.
RID/ADR :	Not classified as dangerous.
Name :	Not regulated.
Transport emergency card :	None.

15. **REGULATORY INFORMATION**

Community regulations:EC Cosmetic Directive 1223/2009/EEC and other regulations.Mandatory warnings:Not applicable.Other information:Not applicable.

16. OTHER INFORMATION

The information supplied above is based upon the present state of our knowledge of the product at the time of publication. It is given in good faith and no warranty is implied with respect to the specification, neither for any errors due to translation from Dutch original. It is recommended to pass on the information given in this data sheet to personnel concerned.
