### Approval of conformity

#### Statement by SKG-IKOB

This approval applies to the construction product

#### MECHANICALLY OPERATED LOCKS, LATCHES AND LOCKING PLATES

as specified in the attached appendix placed on the market under the name or trade mark of the holder of this approval and produced by or for the holder of this approval in the manufacturing plant(s) if mentioned above.

The product is subjected to the Internal Quality System (IQS) of the holder of this approval with respect to the model specifications and product designations. SKG-IKOB issues this approval of the product based on:

- I Results of Initial Type Testing of the product;
- II Initial inspection of the manufacturing plant and the Internal Quality System (IQS) according the requirements of the SKG-IKOB Guideline for an Approval of conformity and the standard as mentioned beneath;
- III Every three year an assessment and evaluation of the Internal Quality System (IQS) according the requirements of the SKG-IKOB Guideline for an Approval of conformity and the standard as mentioned beneath.

This approval attests that products, produced by or on behalf of the holder of this approval, delivered under type- and/or article number as mentioned in the annex meet the classification(s) according to:

EN 12209:2003  
and  
EN 12209:2003/AC:2005

This approval was first issued on 01-07-2014 and will remain valid until the date as mentioned at this approval provided that the test methods and/or factory production control requirements included in the standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.
